Our mission is to:

- Ensure the safety of our students, employees, and clients by complying with all applicable safety laws.
- Be committed to the protection of life and property and preservation of order and peace by implementing policies and procedures as it relates to crime, domestic and dating violence, sexual assault, stalking, harassment, and fire safety.

Our highest priority is safety; therefore, we expect students, faculty, and staff to take responsibility for each other and for the school, because campus safety is important. A safe community begins with everyone; therefore, we encourage each person to take the lead in being alert and aware of the environment around you. We ask that students, faculty, and staff share any concerns they may have with the Director or other staff members. The Office of Security is responsible for campus security services and programs to make our campus community safe.
